Dear Public Information Officers and Communications Managers,

The Fredericksburg Area Metropolitan Planning Organization (FAMPO) has released for public review and comment the draft Fiscal Years 2015-2018 Transportation Improvement Program (TIP) beginning Thursday, May 22, 2014 until Friday, June 20, 2014. The intent of the comment period is to solicit input and comments from the public.

A Public Hearing will take place during the FAMPO Policy Committee meeting on Monday, June 16, 2014. The meeting will begin at 7:15 p.m. and will be held at the FAMPO office located at 406 Princess Anne Street in Fredericksburg Virginia. The meeting is ADA accessible. Directions can be obtained by clicking [here](#) or by calling the FAMPO office at (540) 373-2890. The parking lot is located at the rear of the building with an entrance off of Charles Street.

Because transportation in our region affects everyone, we are reaching out to as many citizens as possible so we can hear what they have to say about these proposed projects. We would appreciate if you could pass the word along for us! This draft TIP contains 56 transportation projects in our region, and \$211,633,000 of funding is allocated within the TIP.
