Subject: FAMPO Launches Public Review and Comment for the Draft Public Participation Plan

To all TAG members,

Please help us spread the word about the launch of FAMPO Draft Public Participation Plan (PPP) Public Review & Comment Period

Public Participation is an integral part of the planning process. At FAMPO, we believe that the best decisions are made with a fully-informed and involved public, and your opinion makes a difference on vital transportation and planning issues in the region. Public involvement needs to be an early and continuing part of the regional transportation planning process.

FAMPO has released for public review and comment the Draft Public Participation Plan (PPP). The purpose of the Public Participation Plan (PPP) is to serve as a guide in the development of public outreach methods that encourage the citizen's involvement in the regional transportation planning process.
