

# Update on HB2 Preparation

Presentation to FAMPO  
May, 2016

# Preparing for Next Round of HB2 and Next CLRP

## Positioning GWRC/FAMPO HB2 Projects to maximize project scores

- **Candidate projects need to be in:**
  1. **FAMPO CLRP (Statewide High Priority candidate projects only)**
    - Projects in Fredericksburg, Stafford & Spotsylvania: Fiscally Constrained
    - Projects in Caroline and King George: Not Fiscally Constrained
  2. **GWRC/FAMPO Regional Economic Development Plan**
    - Not Fiscally Constrained
  3. **Local Comprehensive Plan**
    - Not Fiscally Constrained
- **Goal is to complete these preparations by June/July**
- **Will need support from Locality Staff to obtain necessary info**

# Preparing for Next Round of HB2

## Make sure that Potential HB2 Candidate Projects are in your Local Comprehensive Plan

- Project likely needs to be in by September 30, 2016.
- To maximize project scores for Economic Development Factor
- Can make a significant difference in Economic Development score
- Scoring based on Last Round of HB2 for Economic Development near Project
  - Project in Local Comprehensive Plan – Full Credit
  - Project consistent with Local Comprehensive Plan – Half Credit
  - Project inconsistent with Local Comprehensive Plan – No Credit

# Coordination on HB2 Project Submittals: June to September

## Regional Projects: Larger projects for Statewide High Priority Only
