Subject: Lafayette Boulevard Transit Study

Dear Mr. Lehane:

I am writing to convey the Virginia Department of Transportation's (DRPT) support for the Lafayette Boulevard Transit Study. DRPT supports the goals of this study and recognizes its importance as well as the need to increase transportation choices and improve system efficiency along the corridor.

Thank you for the opportunity to comment on the Lafayette Boulevard Transit Study and we look forward to continued participation with FAMPO in improving transit in the Commonwealth.

Sincerely,
