Regional and State Plans and Programs

Informed by VTrans,
regional and local plans,
stakeholder and public input

Updated at least every
4 years...
or to address changes
in regionally significant
projects

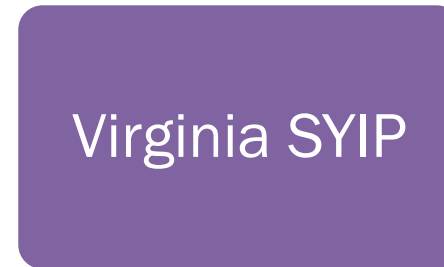

4-year project list

4-year project list updated at
least every 3 years including
all Federally funded projects

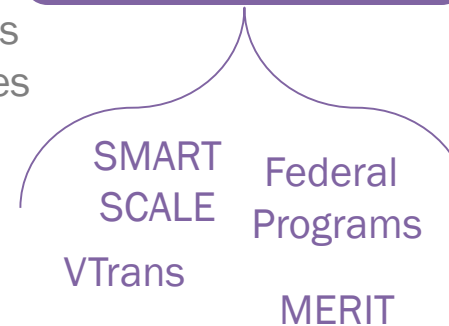

All projects in SYIP that are eligible
for Federal funding are in the STIP

6-year project list updated
annually including all public
funding for transportation
projects and programs

Annual TIP
amendments
follow updates
to the SYIP

Reason for the TIP Update / Amendment

New regionally significant projects

- SMART SCALE Round 3, others

Other new or changed projects

New funding horizon for TIP

Triggers LRTP updates, air quality conformity

Triggers TPM requirements and MAP-21/FAST Act planning factors

FAMPO proactively addressed most of these in the current 2045 LRTP and the 2018-2021 TIP Amendment (adopted 9/2018)
