

FAMPO PUBLIC INVOLVEMENT/ TITLE VI COORDINATOR

ABOUT GWRC AND FAMPO

The George Washington Regional Commission (GWRC) is the designated planning district commission for Virginia Planning District 16, which includes over 360,000 people in five jurisdictions. Planning District 16 is the fourth-largest and fastest-growing of the Commonwealth's 21 planning districts. GWRC is responsible for encouraging and facilitating local government cooperation in addressing, on a regional basis, problems of greater than local significance. GWRC's current areas of focus include economic development, environmental services, human services (including homeless services support), affordable housing, transportation demand management, and rural and urban transportation planning. GWRC is the staffing and fiscal agent for the Fredericksburg Area Metropolitan Planning Organization (FAMPO).

FAMPO is a federally-mandated Metropolitan Planning Organization (MPO) that is responsible for making sure federal dollars spent on existing and future transportation projects and programs are based on a continuing, cooperative and comprehensive transportation planning process. Committed to meaningful public engagement throughout the process, FAMPO is responsible for establishing priorities to meet short-term (next six years) and long-term (20+ years) multimodal transportation needs in the FAMPO Region (Fredericksburg, Spotsylvania County and Stafford County).

ABOUT THE POSITION

The Public Involvement/Title VI Coordinator develops and implements programs that communicate and enhance the exchange of information and ideas between all members of the Region, including the area's social, economic, racial, and ethnic groups as well as the decision makers involved in each of the metropolitan transportation planning and programming areas. The employee must have the ability to design and write clear communication pieces for a variety of audiences and effectively leverage existing and new communication tools and technology. The employee must exercise considerable independent judgment and initiative and must be able to establish and maintain effective working relationships with city/county staff, elected and appointed officials, media, other government organizations, civic groups and the general public. At times, the Public Involvement/Title VI Coordinator may be asked to assist with more typical transportation planning tasks such as data collection, analysis, and participation in drafting planning documents.

Responsibilities and Duties
