FAMPO RESOLUTION 23-04

DIRECTING A PUBLIC COMMENT PERIOD FOR AN AMENDMENT TO THE FY21-24 TRANSPORTATION IMPROVEMENT PROGRAM TO ADD UPC T11606: FREDERICKSBURG STATION REHABILITATION

WHEREAS, the Fredericksburg Area Metropolitan Planning Organization (FAMPO) has a Transportation Improvement Program (TIP) for Fiscal Years 2021-2024 which was approved on May 18, 2020 and became effective October 1, 2020; and

WHEREAS, the Virginia Department of Rail and Public Transportation has requested the addition of UPC T11606: Fredericksburg Station Rehabilitation; and

WHEREAS, the FAMPO Policy Committee wishes to add this project into the TIP for advancement; and

WHEREAS, the addition of a project to the TIP would normally trigger an air quality conformity assessment but this project is part of VRE's Facilities Asset Management (FAM) program funded through federal 5337 State of Good Repair (SGR) funds and has already been evaluated for air quality conformity effects; and

WHEREAS, under FAMPO's Community Engagement and Equity Plan (CEEP), a 30-day public comment period and public hearing is required for the proposed amendment since this is a new TIP project.

NOW, THEREFORE, BE IT RESOLVED that the Fredericksburg Area Metropolitan Planning Organization authorizes staff to release this draft FY21-24 TIP amendment for public comment over a 30-day period commencing September 20, 2022 and host a public hearing at the October 17, 2022 Policy Committee meeting.

Adopted by the Policy Committee at its meeting on September 19, 2022

Jason Graham, Chair
Fredericksburg Area Metropolitan Planning Organization
Policy Committee
