

2045 LRTP Update

Policy Committee Briefing

April 17, 2017

Recent Updates

1) Received Candidate Project Responses

- From Stafford, City of Fredericksburg, Spotsylvania, King George, Caroline and PRTC (includes FRED and VRE)

2) Development of 2018 to 2045 Revenue Estimates for FAMPO CLRP

- DRPT for Rail/Transit – Received
- VDOT for Highway/Bike/Ped – Under Development
- Local Transportation Revenues – To be requested at next LRTP AC Mtg
- Once revenue estimates received, FAMPO will request review/approval from FHWA/FTA

Recent Updates

- 3) Next LRTP AC Meeting on 4/20
- 4) I-95 Phase 2 to be integrated into LRTP AC starting on 4/20
- 5) I-95 Phase 2 (Highway) to be primarily focused between Exit 136 and Exit 126 to document need for I-95 NB Rappahannock River Crossing project and other potential related improvements:
 - Northern Tail for NB River Crossing?
 - Rte 17 Interchange improvements?
 - Southern Tail for SB River Crossing?
 - Express Lane extension south of Rte 17?
