

# Public Meetings

## Funding the Right Transportation Projects

You are invited to share comments on transportation projects that have been recommended for funding in the FY2020-2025 Six-Year Improvement Program (SYIP). Additionally, pursuant to §33.2-202, comments will be accepted for new projects valued in excess of \$25 million. Hearings held in Northern Virginia and Fredericksburg will also provide opportunity for input on the I-95 Corridor Improvement Plan. The Commonwealth Transportation Board (CTB) will consider your comments as it develops the FY2020-2025 Six-Year Improvement Program. The program allocates public funds to highway, road, bridge, rail, bicycle, pedestrian, and public transportation projects. All federally eligible projects in the SYIP will be included in the Statewide Transportation Improvement Program to document how Virginia will obligate its federal funds. Meeting materials will be available at <http://www.ctb.virginia.gov/planning/springmeetings/default.asp> beginning April 11, 2019.

**Public hearings begin at 4 p.m. in each of the locations except as noted below:**
