

Draft Candidate Smart Scale Round 3 Projects for GWRC/FAMPO Consideration

Draft: 2/1/2018

ID	Primary Improvement	Primary Improvement Type	Cost Estimate	Potential Secondary Improvements					Comments
				Highway	Transit	TDM	Bike/Ped	ITS	
A	I-95 Widening from 6 to 8 lanes between Exit 130 and Exit 126, and Harrison Rd bridge replacement	Highway	~\$72,000,000			X	X	X	Project could be split into smaller pieces. Harrison Rd bridge replacement likely necessary to widen I-95
B	I-95 NB Widening from 3 to 4 lanes between Exit 133 and Exit 136	Highway	\$9,000,000	X		X	X	X	I-95 Phase 1 Study found this was needed to alleviate NB Rappahannock River Crossing terminus congestion. Could include US 17 STARS
C	Exit 126 Interchange Improvements	Highway	?			X	X	X	VDOT Exit 126 STARS Study improvement will be ready for Rte 1 NB to I-95 NB ramp movement. Other improvements identified in previous studies
D	New Access point to Central Park from I-95 SB and NB Rappahannock River Crossing CD lanes	Highway	~\$25,000,000			X	X	X	SB offramp and NB onramp and offramps under consideration
E	US 17 Bus. STARS Study Improvements and US 17 PNR Lot improvements	Highway	?			X	X	X	From 2016/2017 VDOT STARS Study. PNR lot needed due to expected growth from Exit 133 being new southern terminus for 95 Express Lanes
F	Rte 3 STARS Improvements and Rte 3 Interchange Improvement for I-95 NB to Rte 3 EB	Highway	\$15,000,000				X	X	From 2016/2017 VDOT STARS Study. Rte 3 Interchange improvement dropped from original NB River Crossing project.
G	Mine Rd PNR Lot Expansion (~400 spaces)	TDM	\$20,000,000				X	?	Project was screened out of Smart Scale Round 2. Existing lot is at capacity
H	Other PNR Lot Improvements: US 17 Bus., Chatham Heights, Rte 3 East, Central Park, Commonwealth Dr Expansion, Ladysmith Rd	TDM	\$25,000,000					?	PNR Needs identified from I-95 Phase 2 Study. Some could be packaged with highway improvements
I	US 301/Rte 207 Study Improvements	Highway	?						Several projects to be identified from VDOT Study
J	Bike/Ped and TDM improvements at Gov. Nice Bridge	TDM	?			X	X		Project could be combined with a highway improvement. Expand and improve existing PNR Lot near museum and bike/ped improvements from Dahlgren Heritage Railroad Trail to New Governor Nice Bridge

Other Projects tentatively scheduled to be submitted by localities
