RE: Request to fill Commonwealth Transportation Board vacancy for the Fredericksburg Construction District

Dear Governor Northam:

We are writing to request that the Commonwealth Transportation Board (CTB) vacancy for the Fredericksburg Construction District be filled.

Our District currently has 235 projects with a total funding of \$1,308,699,000 in the FY19-FY24 SYIP and having a CTB member is critically important to help advance these projects. Additionally, I-95 in Stafford County suffers from the worst congestion in the state and nation. Having a CTB member is critical to help advocate for I-95 corridor multimodal solutions to increase mobility and safety and keep people moving within our District as well as between our state capitol and our nation's capital.

We would greatly appreciate your attention to this matter.

Sincerely,

Hon. Timothy McLaughlin  
FAMPO Chairman
