WHEREAS, the FAMPO Policy Committee has directed staff to work with the Virginia Department of Transportation (VDOT) to identify a scope, budget and funding sources for this analysis, and

WHEREAS, working with VDOT staff has completed this work to define a Phase 1 I-95 study at a cost of \$280,000, to be completed by June 2016 and to be funded with RSTP monies, and

WHEREAS, this work requires an amendment to the FY16 UPWP, as shown in the attachment to this Resolution, and
