H	Route 3 STARS Study improvements, I-95 NB to Rte 3 EB ramp improvement, and Gateway Blvd extension from Rte 3 to Cowan Blvd	Highway	\$35 million

Rte 3 East PNR Lot to be submitted by FRED

Estimated Cost: \$6.2 million
Spaces: 156

Developing Possible Multimodal Enhancements for Regional Projects

1. Intelligent Transportation System (ITS)

- Parking demand management system
- Traffic operations/security cameras

2. Bike/Ped

- Improved accessibility to PNR lots
- Shared use path

3. TDM

- PNR lot improvements
- Marketing of TDM/transit

4. Transit

- New transit service (FRED)

Including Possible PNR Lot Enhancements

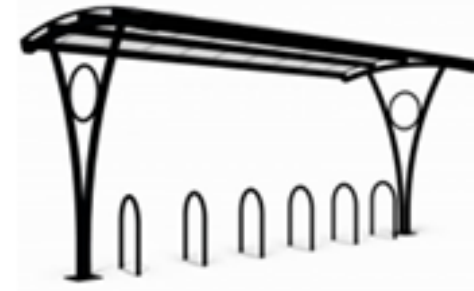

- Bus Shelters

- Bike Lockers / Covered Bike Racks

- Slug Line Island with shelter

- Electric Charging Stations

- Bike / Ped Paths and trails

- Sidewalks

FAMPO and GWRC Action on Local Smart Scale Projects

1. Scheduled for June 18th FAMPO and GWRC Meetings
2. Please submit any changes to FAMPO
 - Submit to Nick Quint: quint@gwregion.org
