From : Tim Ware  
Subject : January Planning Session

During the November 2016 GWRC Board meeting it was determined that the January Board Meeting would be primarily devoted to Agency Planning Goals. With that in mind the following documents are include for your use to stimulate discussion.

- Memorandum of Understanding between member jurisdictions
- Regional Efforts Document prepared by Stafford County.

I look forward to seeing you all next Monday to continue the direction that you would all like to see GWRC head to provide quality regional service.
