RE: Supporting the Smart Scale Round 3 Project Changes

ACTION: APPROVED: Ayes: 7; Nays: 0

**March 12, 2019
Regular Meeting
Resolution No. 19-26**

The City of Fredericksburg, for Fredericksburg Regional Transit, submitted a Round 3 Smart Scale application to the Virginia Department of Transportation (VDOT) for a Park-and-Ride lot on Route 3 east, in Stafford County.

The Virginia Department of Transportation funded that application, but Stafford County has determined it no longer desires to construct that project.

An opportunity now exists to redirect that awarded funding to three other regional projects.

Therefore, the City Council resolves that

It hereby relinquishes its interest in the initial Park-and-Ride lot application and fully supports a request for three other regional projects, to include:

1. U.S. Route 1/Enon Road improvements, in Stafford County
2. Harrison Road/Salem Church Road improvements, in Spotsylvania County
3. Northbound Interstate-95/State Route 3 ramp improvements, in the City of Fredericksburg
