## FAMPO RESOLUTION 19-45

### ADOPTING THE CONGESTION MANAGEMENT PROCESS (CMP) FOR THE GWRC REGION

**WHEREAS**, Federal guidelines require the development and adoption of the Congestion Management Process (CMP) to be updated every four years, and

**WHEREAS**, the purpose of a CMP is to focus on a process to alleviate congestion through management and operations using regionally set objectives to create performance-driven strategies, and

**WHEREAS**, FAMPO staff has worked with Virginia Department of Transportation (VDOT), Department of Rail and Public Transportation (DRPT), the FAMPO Technical Committee (TAC), and the Citizen Transportation Advisory Group (CTAC) to develop the FAMPO CMP, and

**WHEREAS**, the last CMP was adopted by FAMPO on March 16, 2015.

**NOW, THEREFORE, BE IT RESOLVED** by the Fredericksburg Area Metropolitan Planning Organization that the Congestion Management Process for the GWRC region is hereby adopted.

Adopted by the Policy Committee at its meeting on April 15, 2019.
