

Summary of State Staff Recommended Changes to Smart Scale

June 19, 2017

Summary

1. Developed as input to CTB Retreat on June 21st. CTB has final decision on changes to Smart Scale.
2. State Staff recommended changes are generally minor
 - If adopted, would likely not lead to major changes in scoring compared to Round 1 or 2
3. Some major recommended changes to Smart Scale application process include:
 - Application period moved up from August 1st to March 1st
 - Limits on the number of applications that can be submitted
 - Five for FAMPO, GWRC, Stafford, & Spotsylvania
 - Three for Fredericksburg, King George, & Caroline
 - Limits on how far apart multimodal projects in the same application can be
